- Pg. 78 - Classifieds
- Pg. 79 - The Wall

**COVER STORY**

**NOT JUST PRETTY FACES IN THE MOTORCYCLE CROWD!**

There is a new motorcycle shop in Citrus County and it isn't owned by your normal scooter people. Now, I don't mean that these owners don't know about cycles, they've been riding and building bikes their entire lives - the difference in these owners is that they also have other jobs.

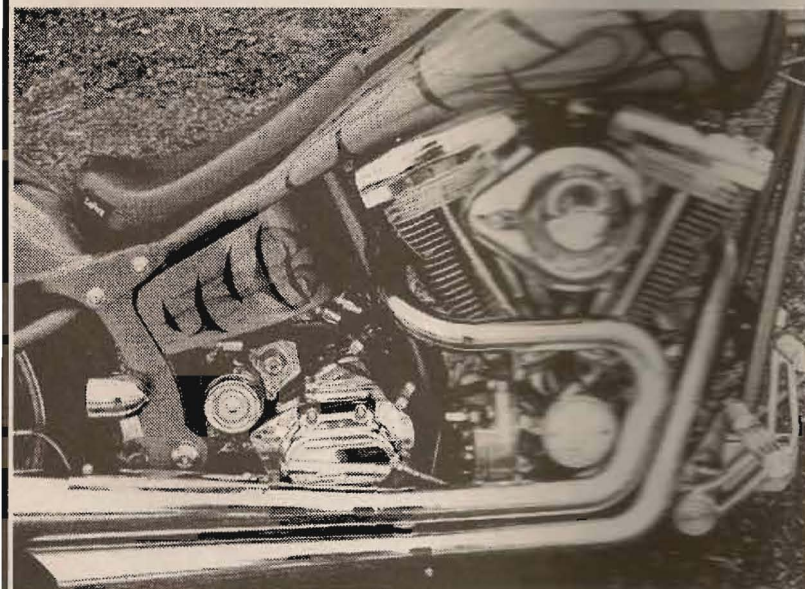

Full Throttle would like to introduce you to Debbie and Ken Blackman. Ken is in his third year as starting right guard with the Cincinnati Bengals of the National Football League. He graduated from the University of Illinois and has been riding bikes since he was young. "My first motorcycle was an old Indian and I've been wrenching since I was a teenager", Ken said.

Debbie has only been known as Mrs. Blackman for two months. However she is known worldwide by two other names, Madusa of the WCW and Alundra Blayze of

the WWF. That's right, Debbie is a world famous lady wrestler. "I've been around the world and even met the Emperor of Japan. I used to travel 220 days a year and the feeling of controlling 63,000 in the middle of a ring is awesome", Debbie stated.

Ken and Debbie met while she was wrestling in Dayton, Ohio and he was in the hotel bar having a drink with a friend. After a few brief minutes of conversation and a couple of notes passed back and fourth on cocktail napkins, they got together and were married a few months later. Debbie was living in Tampa at the time and she wanted to move out of the big city and into the country. She traveled up Highway 19 and found a great deal on six acres. Ken loved the location and they now have a home in Florida and another in the Cincinnati area.

Ken and Debbie opened Spookee Cycles in early April and they have a complete service and parts department. Through Ken's NFL connections, they have numerous NFL players as customers and are ready to build custom bikes for the people of Citrus and Hernando Counties. Their Grand Opening is May 16th from noon - 4:00 pm and will feature a live band, tattoo contest, bike show, food and Born To Ride TV Taping. Make sure you stop by and get an autograph from NFL player Ken Blackman and WWF Star Alundra Blayze.
